# FUN AND LEARNING AFTER THE SCHOOL DAY

## Soccer and STEM Enrichment Program CITRUS COUNTY SCHOOLS

REGISTER  
BY  
JAN. 17!

**SOCCER:** Your child will have the opportunity to explore the game of soccer through this fun and engaging program. Children will learn soccer terminology, play fun drills and have the opportunity to scrimmage. Let the matches begin!

**STEM:** Calling all future scientists and engineers! Children in the STEM program will have an opportunity to put the scientific method to use as they explore different concepts in science, technology, engineering and mathematics. From creating our own inventions to testing out the strength of paper cups, no future scientist or engineer will be left without a challenge!
