Important reminders

- Please meet your instructor on the pool deck at least 5 minutes before every class.
- For your child to get the most out of his or her class, we recommend NO SWIMMING before class begins.
- All spectators must watch from lounge chairs on the side of the pool deck.
- If you have questions, please find the deck manager during classes or wait to speak to your instructor after class.
- At least three participants must register for a class for it to take place.
- Please inform the instructor of any special needs or considerations so that we may serve your child to the best of our ability.
- A mid-session report will be given halfway through the session to show your child's progress.
- Certificates of achievement will be given to each child the last day of class, unless requested earlier.

Cancellation and make-up policy

Classes can be canceled due to weather or chemical issues at any moment. If this occurs we will contact you at least 20-30 minutes before your class start time. Please make sure you provide us your BEST contact number. If you do not receive a phone call from the YMCA, classes are still on.

Classes canceled by the YMCA will be made up the week after the last scheduled class at the same time and day.

While efforts will be made to make up all classes, we will not make up the make up classes if time does not permit before the next session.
