CAMP

Summer Camps for ages 5-18

At the Y, we believe that every child should live up to their God-given potential. We strive to make the summer fun and a learning experience for kids. We teach character development and use group activities and games to teach the YMCA core values of caring, respect, responsibility, and honesty. We promote the development of friendship among diverse groups, encourage creativity and self-expression, focus on good sportsmanship, and ask every camper to have respect for others and camp surroundings. Youth Participation in Adult Group Exercise Classes

Members ages 10-12 can attend group exercise classes with a parent/guardian and ages 13 and older can attend on their own (appropriate behavior required). We strongly encourage participation in our youth programs, as they have been determined to be at the appropriate level of intensity and content for this age group. In the event that a youth member participates in an adult group exercise class, a parent MUST participate with them; no exceptions.
