

**FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

Dear Friends and Community Partners:

We are excited about our partnership with Eckerd Connects, Directions for Living, Youth and Family Alternatives, Lutheran Family Services and Kids Central, Inc.! Like the Y, they share our call to serve by strengthening youth and families in our communities. We feel this partnership will help reach our joint goals.

We invite foster care youth, teens, and young adults to take advantage of free access to a YMCA of the Suncoast membership. All youth, teens, and young adults though ages 21 are welcome to gain free access into any YMCA of the Suncoast location in Pinellas, West Pasco, Hernando and Citrus counties. Youth ages 11 and younger must participate with their families/guardian. Teen's ages 12-21 can participate with their families and may also access facilities and participate in programs on their own.

Youth, teens, and young adults can enjoy the pool, waterpark (at select locations), basketball courts, Learning & Play Center, Teen Room, fitness center and more! We encourage them to stop by any of our locations and take a tour to learn about all our amenities and programs. This access also allows them to participate in all YMCA programs at our lower member rate. To learn more about the Y visit ymcasuncoast.org/join.

To take advantage of this great opportunity:

- A Membership Engagement form must be filled out. If they are under the age of 18 a parent, guardian or designated adult must sign our waiver.
- They should bring along their appropriate documentation. A photo ID may be required.
- With these documentations, their "Association" Y access will be valid until their 22nd birthday, as long as they are still current in the program.
