Dear Valued Member,

Thank you for being a valued member of the YMCA. As we recently communicated, the Clearwater Branch will be transitioning to the "Clearwater YMCA In Motion" beginning January 1, 2022. As we focus on the construction of our brand new state-of-the-art facility, we wanted to share with you the options for your membership effective January 1, 2022. We are confident that the options will allow us to continue to serve your needs and help you reach your health and fitness goals.

Our records indicate that you are currently an Association Member. The great news with this category is that your options remain the same. As an Association Member, you have access to all the YMCA's across the Tampa Bay region, as well as throughout the country with those YMCA's who participate in Nationwide Membership.

Our staff are available to assist you with any questions you have and can share all the great programs and services happening through our communities.

*Please note, that if you currently receive financial assistance or are part of our Corporate Partners program, your fees will be adjusted accordingly.

Should you have any questions, please contact us at (727) 461-9622.

We are excited for our community to join us as we embark on this exciting new adventure as the "Clearwater YMCA In Motion". As we transition from our former location and rebuild a new innovative YMCA, we will still be providing the Y programming members know and love. Stay tuned as we move through the exciting phases of this adventure!

Thank you,

Seth Milbrand
District Vice President
