It's not all about gaining increased concentration, increased physical strength and muscle tone, or increased confidence. It's also empowering individuals to build a strong spirit, mind, and body!

Fees: \$50/\$90(monthly)

Equipment Requirements: Participants should wear comfortable sneakers. Uniforms can be purchased from the instructor.

Dance Ages 3-10

YMCA dance classes develop passion for the art of dance through ballet, tap, jazz, and hip-hop. Classes include instructional lessons, technique, and a chance to perform at a YMCA event.
