MEMBER SERVICES

Getting Started with SMARTSTART: Our member onboarding program includes a series of 3 personalized appointments, 30 to 60 minutes long, designed to support you in pursuit of your health & wellness goals. A specialist will meet with you to discuss your needs and interests. Together you will develop an achievable plan for success. These 3 sessions with a trained coach are valued at \$150, but are offered as a complimentary service for all new members.

KIDS ZONE & THE ZONE: Are available at no charge to full members and guests with children ages 6 weeks to 11 years. The Kids Zone is for children 6 weeks to 6 years of age. The Zone is for children from 7 to 11 years of age. Unless in a supervised YMCA program, all children 11 and younger must be accompanied by an adult while in the facility.

FAMILY LOCKER ROOM: Our family locker room is designed for parents with small children, individuals with special needs and those who prefer a more personal changing space.

LOCKERS: Lockers are available for day use. Just bring your own lock and remove it at the end of each visit. Items left overnight will be removed from the locker room and placed in the lost and found. Always secure your belongings. Safety is a team effort. The staff is diligent about providing a safe environment for our members.

LOST AND FOUND: The YMCA is not responsible for lost or stolen property. However, we do keep lost and found items at the Member Services desk for two weeks, then donate them to another charity.

USE YOUR MEMBERSHIP EVERYWHERE: Your association membership is good at all Tampa Bay area YMCAs and all over the United States at participating Ys. To find any Y in the U.S., visit ymca.net. A map of all Tampa Bay area YMCAs is at ymcasuncoast.org/locations.

MAKE A DIFFERENCE

VOLUNTEER OPPORTUNITIES: Volunteers truly are the backbone of the YMCA. If you share our commitment to the continued well-being of our youth and community, please consider becoming a Y Community Champion or joining a Togetherhood project. Mentor a teen, clean up a neighborhood, coach a team, help us raise funds or serve on a committee. Learn more at ymcasuncoast.org/volunteer.

ANNUAL CAMPAIGN: As a YMCA member, you do for yourself; as a YMCA donor, you do for others. We invite our members to make a donation to help others in need enjoy the benefits of YMCA membership. Funds raised in the community stay in the community, or can be directed to a specific area (i.e., youth sports, camp, swim lessons or other programs). Through our People Helping People program, the annual campaign assures that no one is turned away from a YMCA because of financial reasons. We count on our members and generous donors to help kids and families who may otherwise not be able to participate in programs like camp and after-school activities. Learn more at ymcasuncoast.org/give.

INTERNATIONAL YMCAS: Approximately 230 local U.S. YMCAs maintain partnerships with Ys in other countries. YMCA of the Suncoast has a partnership with the YMCA in Peru. If you are interested in getting involved, please contact your local YMCA for more information.

COMMUNITY DEVELOPMENT: To help strengthen our community, we collaborate with dozens of local agencies to offer child care services, water safety classes, mentoring opportunities, employment training and more. The YMCA brings people from all backgrounds together to share experiences, offer support and learn from each other.

EMPLOYMENT: The YMCA offers both full-time and part-time opportunities in a variety of areas. Here, you will create solutions – for one person or an entire community. You will apply your experience, knowledge, and abilities, and discover new talents within yourself as you make a real difference in the lives of those around you. You will put your imagination and creativity to work in an environment built upon teamwork and community. Consider joining the YMCA at ymcasuncoast.org/jobs

The Y is for everyone

As a cause-driven leader in the community, the Y doesn't turn anyone away for an inability to pay. We offer financial assistance through our People Helping People program. Learn more at the Member Services desk or on our website.

The YMCA is committed to serving all people including those with disabilities in accordance with all laws and in compliance with the Americans with Disabilities Act. Should you have any concerns or questions, or need to request a reasonable accommodation or modification, please email the YMCA at concerns@suncoastymca.org or visit our website at www.suncoastymca.org for more information.

CREATING A SAFE ENVIRONMENT FOR CHILDREN

- We are staffed with qualified and trained personnel throughout the facility however, unless children are participating in a YMCA supervised program that requires an adult to sign them in and out, the parent or guardian must provide supervision of their children.
 - We are committed to protect the youth in our YMCA and communities by practicing the three habits of Child Abuse Prevention. They are "KNOW, SEE and RESPOND."
 - Know: when we understand the common practices of those who harm children and the best practices to stop them.
 - See: when we can recognize the warning signs or behaviors that signal abuse or risk for abuse.
 - Respond: when we take action in response to behaviors we recognize as being inappropriate or questionable.
- In addition, each staff and registered volunteer must agree to abide by our Code of Conduct. The Code of Conduct outlines appropriate behaviors and provides rules for all to follow that are designed to prevent potential abuse or to put the adult in a vulnerable position for an allegation of abuse.
- While our staff are excellent caregivers, we follow best practices in child abuse prevention; therefore, we do not allow any staff to be alone with a child where they cannot be observed by others. As a result, we do not permit our staff to babysit or provide supervision to children they have met at the YMCA outside of the Y.
 - In our continued commitment to provide a safe environment, the YMCA screens members through the National Sexual Offender and Predator Registry. Member behavior must align with our core values. The Y may revoke membership privileges from those that do not meet this standard.
 - Members age 11 and younger must be accompanied and supervised by a parent/adult (age 16 and older) on site at all times. Exceptions are made for those in identified programs, such as camps, Parents Night Out, etc. We do encourage parents to observe our supervised programs as well.
